
THE RAPIDS REPORT

Courtesy of ROKC resident Eric

House Numbers Hiding?

Ensuring your property has a clear, visible house number is important. Over the years shrubbery and trees have grown and this may be the last thing you think about until an emergency.

Emergency services NEED to have a clear number to locate your home when called for an accident, a fire or a medical need.

We want to see all of our residents have a safe and happy summer..year!

WE NEED YOU To come to meetings and to be representatives!

Event

Association PICNIC!

Sunday, July 26 from 3-5 pm at the common area playground behind the homes off of Sweet Cider. Balloons and child entertainer and more! Bring finger food to share, lawn chairs and anticipation of fun! Drinks will be provided.

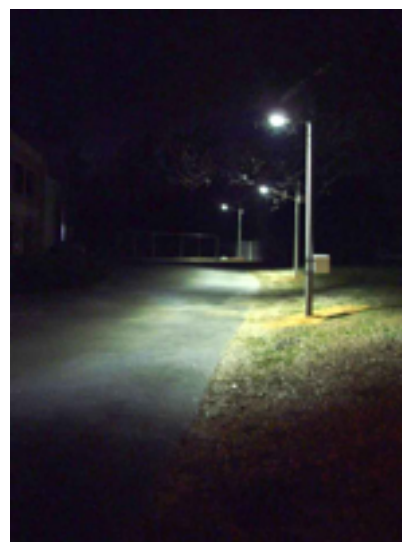

➔ Did you know that bulk items for trash pick up like furniture, washers, etc, you must call 427-1270 or www.cityoffortwayne.org? Electronics like TVs, computers, MP3 players, etc. require special handling. Visit above website.

➔ Sidewalks are the responsibility of the homeowner. If you have a sidewalk that is not level and is a tripping hazard, you may not have to have the entire slab replaced. You can have it lifted up by foam or concrete by a local concrete business. Check it out!

➔ If there are any issues with our area streets or street lights, please call 311.

Next Board Meeting:
Tuesday
July 21, 7:00 pm
Dupont Library

Board Members 2015

Cassandra Kelley - President

Lisa Silvey - Vice President

Stuart Freimuth - Maintenance

Bradyn Sterling - Secretary

Frank Hamoui - Treasurer

Bill Louthan - Director

Maylynne Ranney - Director

The Shortest Distance Between Neighbors Is Communication

Do you remember the last time you talked to your neighbor? Probably not.

Do you know the name (first and last) of your neighbor? Probably not.

Sometimes the neighbor who lives next to you seems miles away. We do live in closed garages and separated by six-foot high fences. Simply put, we don't communicate. We don't realize that we have much more in common than we think, and we don't know how much we need each other.

I remember the days when I used to take my late dog out for a walk. I met and talked to so many neighbors who were good and interesting individuals with various rich backgrounds which makes our community very vibrant. Together, we can build healthier, safer and happier place to live and call home. The only thing needed is someone has to make the first move.

Participating in community activities is a starting point. In order to succeed, we need to establish a line of communication which leads to improve the look of our properties, open job networking, help each other in good and bad times, and assist those in need.

We urge you to work with your association for the betterment of your community, and the next time you see your neighbor try to say more than "HI" and "HELLO".

COMMUNICATE

Frank
