## Happy New Year!

---

Congratulations to Mr. and Mrs. Smith!  
They are the first place winners of the Christmas  
decorating contest!  
We saw many yards that were beautifully  
decorated. Enter next year!

Association Board Meeting  
Tuesday, January 19 at 7pm at Dupont Library

# Winterval

---

## Saturday, January 30, Downtown Fort Wayne

Celebrate winter with a visit to downtown Fort Wayne! The 5th Annual Winterval promises a full day of indoor and outdoor winter fun for all ages. Watch ice carvers create wonders from a solid block of

ice, catch a rugby game, enjoy special events at the Botanical Conservatory, the Allen County Public Library or Science Central. Go for a carriage ride at the Community Center or ice skating at Headwaters Park. Enjoy your city!

Please report any street lights that are out, staying on all day, or flickering. Call Street Light Operations at 427.6167, dial 311, or [click here](#) for the city's online form. Please inform them of the pole number and the street address.

### WINTER PARKING REMINDER

If snow is forecast, park your car in your driveway or garage. The Association pays its snow removal contractor by the time spent on the job. Vehicles parked on the street, especially in the coves, slow plowing progress and increase expenses. Cars will be plowed in if they are on the street during and after the snow storm.

Additional costs are incurred if the contractor must return to clear piles of snow remaining in the street after cars have been moved. Generally, the Board does not recall the contractor unless the flow of traffic is impeded.

There is advertising space available to residents who own or work for a business. For a business card size space it is only \$50 annually for the newsletter. Contact us for your space today! [ROKCAssociation@outlook.com](mailto:ROKCAssociation@outlook.com)

## Remember

---

Any fences, additions, decks, roof, etc., need to be sent for approval per the architectural control policy (email [ROKCassociation@outlook.com](mailto:ROKCassociation@outlook.com) for the Architectural Request form). Contact us a 2 weeks before construction to get any needs handled in a timely fashion.

Please let us know if there is any resident that is in violation of our policies.
